

PAINT what YOU Love

ART CLASSES FOR ADULTS

STARTS THURSDAY 17 OCTOBER 2024- 10.30AM TO 12.30

*Have you ever looked at a painting and thought,
"Oh, I wish I could paint that!" In this art class you can!*

You see, we teach you from scratch the process of the art making! All you need to be is WILLING to step into your CREATIVE POWER even when you do not feel you have a creative bone in your body!

What STOPS most adults on embarking on an ART CLASS is fear of being judged, and feeling they cannot paint well at all!

We will teach you regardless of your fears, worries and perceived lack of experience! Seriously though, Art Making is not that HARD! It is really fun playing around with different art materials, and learning as you go about all kinds of things!

All ages and skill levels are welcome in our studio! Our studio is located right opposite the lake in the small **Lakeside Shopping Complex !**

The Art classes are led by Wanda Grein a highly skilled experienced professional teacher/ lecturer/ and artist in Visual Arts....she will lead you down the rabbit hole of your most creative self, demonstrating the artistic practise every step of the way until completion.

So, ignite your deeply felt desire to be creative... an take your artistic skills to the another level! There NO NEED to worry if you have NEVER painted- we just need your courage!

This class is suited for those who are seeking solace from the mind, connect with their Creative Soul, and LET GO and play while enjoying the company of a heart felt arty community!

It is in the mistakes we learn our best lessons, and art mistakes are necessary! Trust me, as I write this as I am the queen of Mistakes and I am also the Queen of Fabulous Artworks!

You will learn about the rigor of painting skills and learn how to look at images and see things differently. As Wanda often says, “You are already Creative, it is your birthright, so lets go play!”

Important information to SOAK IN....

Adult Art Classes start **Thursday 17 October 2024 from 10am to 12 noon.**

You can come weekly, fortnightly or monthly! It's up to you!

Please ensure you are on time as I stop at 12 noon sharp, as I have another class later in the afternoon. There are limited numbers in the classes, so if this feels like you, make a booking!

All you need to do is call or email Wanda and let her know you are coming-

Call Wanda on 0422 029 084 Email : wanda@aniseart.com.au

BEFORE YOU COME to ART CLASS and IF you are pretty good on the computer....you can get yourself started by.....

1. Check the internet and look for paintings which you love- so your search will be :
For example, " Seascape Australian **paintings** with palm trees" Key work is 'Paintings'
Then click IMAGES.- Here you will find an array of ideas to paint. If you like a painting, click **SAVE** to Desktop.
 2. **Save 3 images that you love**, and because you have saved them to your desktop you can attach those Jpegs (the painting ideas) to Wanda in an email.
 3. To attach an image, go to " Attach File " in your email situated in the top bar.
 4. Once you select ' Attach File" it will automatically take you to your folders- desktop in your computer, and then attach the image in the email.
- I hope this makes sense- if it does not, print the image and bring it with you.

PS: If you have no idea how to do this step, do not worry, I will teach you this in the lesson.

In Memory of my beautiful friend, Leonne James, who started painting in my studio in 2012.
